## Christian Education Resumes This Sunday

The Christian Education season begins Sunday, August 14 with a variety of classes for all ages and grade levels.

**Lectionary Study, 9:00 a.m., Pollard Library.** A deeper look at the day's readings.

**Adult Forum: Anglican Heartland Series, 11:45 a.m., Parish Hall.**

Our new adult forum is modeled after the storytelling approach of Bill Landry and the Heartland Series on WBIR where stories are told of the people and culture of East Tennessee. We will tell stories each Sunday of 10 notable Anglican saints whose lives have affected (and still do) what it means for us to be Anglicans and Episcopalian. We begin with Alban, the first martyr of the nascent church in Britain, a man whose sparse historical record has inspired countless people who hold him in devotion. St. Alban was even the inspiration for St. Stephen's mission church planted in Clinton decades ago (now St. Therese's Catholic Church). We will cover the following saints over the following weeks:

- Hilda of Whitby (died c. 680)
- Frideswide (died c. 727)
- Thomas A Becket (died 1170)
- Julian of Norwich (died 1417)
- Richard Hooker (died 1600)
- William Wilberforce (died 1833)
- Constance and Her Companions (died 1878)
- E.B. Pusey (died 1882)
- Evelyn Underhill (died 1941)

## Many Thanks to Camp Clearfork Camp Volunteers

Carol Gardner's note of thanks to Clearfork Camp volunteers is provided below. The video referenced in the note can be seen on YouTube by clicking [this link](#); the referenced photographs will be displayed at the Church.

Dear Clearfork Support Volunteers,

Thank you so much for all you did to support the Clearfork camp this year. The kids had a wonderful time and learned some stuff, and the volunteers who drove up to help had fun, too. A successful camp.

This year we had a few Methodist volunteers. They were impressed with the camp and the kids and the relationships we have formed up there. Pastor Mark Flynn and Alan Owen filmed a video Thursday morning that I thought you would like to see (see link above).

Your support and willingness to help are heartening to us and crucial to the success of the camp. Thank you.

- Carol, Linda, Cameron, Bill, and the rest of the Clearfork team

## High School WOW Ministry Begins for School Year

St. Stephen's weekly Walk-Over-Wednesday, or WOW, ministry for Oak Ridge High School began Wednesday, August 10, in the Parish Hall. The ministry provides a simple lunch and time to relax, reflect and visit for ORHS juniors and seniors. WOW Lunches were well attended last year and we look forward to our old and new friends catching us up on their summer vacations. Students arrive around 11:45 a.m. *Spoiler alert: If the students' vacations involved air travel they've got harrowing stories to tell.*

St. Stephen's volunteers report that this time with students is always rewarding. If you would like to join those volunteers and help prepare meals or set up for lunch, please contact Senior Warden Judith Delaney.

## Kid-2-Kid

The Oak Ridge School System's Family Resource Center stores school supplies for teachers to restock classroom needs and/or provide students who move into Oak Ridge the necessary supplies.

The Christian Ed children and staff are requesting your help in supplying several items that are currently in High Demand/Short Supply. These are: headphones, Fiskar scissors, markers, and pencil pouches (not boxes).

Supplies for Teacher Emergency Backpacks are also needed. You can find a list of these first-aid items posted around the church.

If you are able to help with any of these items, please bring them to the church. Collection baskets will be provided in the Narthex and the hospitality center. Father Bailey will bless them on August 28 before they are donated to The Family Resource Center.

## Tee Shirts To Aid Ukrainian Refugees Have Arrived

If you ordered a tee shirt to aid the Ukrainian refugees, please pick it up following the Sunday service or from the church office.
