Courtney Manrod to Preach April 27th

Over the last year, our own Courtney Manrod has been enrolled in the diocesan Lay Preaching School designed to raise up and equip laity to preach in our parishes. Courtney felt a call to this ministry, and I very eagerly recommended her to enter this program. Now, as she completes the program, I am delighted that she will be offering her first sermon with us on the Second Sunday of Easter, April 27th. I am deeply grateful for Courtney's willingness to share this call with us.

"The Spiritual Life" by Evelyn Underhill

"The average Christian has no notion at all of the mighty symphony which fills the universe, to which our lives are destined to make their tiny contribution, and which is the self-expression of the Eternal God." So writes Evelyn Underhill, one of the great Christian writers and mystics of the 20th century. Beginning May 4 and running for the four Sundays in May, we will be exploring one of her great works quoted above titled simply "The Spiritual Life." It is a book written both for those who are new on the Christian journey and those who are more experienced. We are entering a season at St. Stephen's where we will be learning more about our call to contemplate God's presence in our lives (the contemplative life) and learning how to better faithfully listen to that call (spiritual direction). While there are many works which can help introduce this, I can think of no better than this short but powerful work of Evelyn Underhill. You may order copies of the book online or, if you prefer, please let the office know and we can order a copy for you.

We will be discussing upcoming projects, finances, and a new mission statement.

Diocesan Carbon Net Neutral Initiative

Did you know that our Diocese of East Tennessee has adopted the goal of being carbon net neutral by 2030? Per Google AI, carbon net neutral means: "balancing the carbon dioxide released into the atmosphere with actions that remove or offset an equivalent amount, essentially achieving a net zero carbon footprint." Carbon neutrality can be achieved through reducing emissions and/or investing in projects that remove or reduce carbon dioxide from the atmosphere.

The Diocese has established a Carbon Net Neutral Task Force to help focus efforts to accomplish this goal. The great news is that these efforts can also reduce utility bills and help us address our larger needs including replacement of HVAC systems. Please contact Cleon Hartman or Courtney Manrod if you'd like to learn more or join this initiative!

Gears Up for Annual Spring-Cleaning Extravaganza!

Spring is in the air, and it's time for a seasonal clean. The parish is invited to St. Stephen's Spring Clean on Saturday, May 17th at 10:00 AM. A goal of the Evangelism Committee is to ensure the physical environment is welcoming and organized, so the focus of St. Stephen's Spring Clean will be to deep clean areas of the church, organize specific rooms and spruce up the outside space. Be on the lookout for the sign-up sheet!

Loose Plate Offering

For the remainder of the month, the Loose Plate Offering will go to Haiti.

Blessing Box Requested Items

Thank you to everyone who is supporting the Blessing Box! Please remember the Blessing Box when you shop. This week, we are requesting donations of canned chicken, tuna and Chef Boyardee. They can be placed in the little red wagon in the narthex.
